PhD Psychology

*Brunel University London
Anticipated: December 2023*

MSc Applied Social Psychology

*Royal Holloway, University of
London
Awarded: September 2020*

BA Psychology

*Carroll College, MT, USA
Awarded: July 2017*

Objective

Motivated and enthusiastic researcher currently seeking part-time opportunities in the vast field of social psychology and data analytics. Looking to bring my passion for discovering new research trends and implementing advanced and innovative ideas into an applied setting.

Experience

September 2019 - September 2020

MSc Dissertation • Supervisor: Dr. Anat Bardi • Royal Holloway
Investigated variables of culture and personal values using an eye-tracker.

- Planned, scheduled, and implemented research experimentation from start to finish.
- Analysed quantitative data using SPSS.
- Performed critical analysis of results for MSc dissertation submission.

September 2017 – July 2019

Teacher • Golden Gate American School • Cambodia

Taught a variety of Social Science courses averaging 200 students per semester ranging from 13 to 20 years old.

- Marked exams and term papers with strong attention to detail.
- Used critical thinking and problem-solving skills to develop curriculum for students of various English-speaking abilities.
- Developed technical competence with Microsoft products (Word, Excel, PowerPoint).

August 2015 – June 2017

Rehabilitation Receptionist • St. Peters Hospital • Helena, MT, USA
Liaised with therapists and insurance companies to assist with financial coverage by gaining pre-authorised visits for the patient.

- Exercised strong oral and written communication skills for telephone, e-mail, and in-person queries.
- Managed and maintained confidentiality of patient records.
- Practiced ability to remain friendly, professional, and adaptable in a fast-paced work environment.
